

Artisan Herringbone – Light Cotton Oak

Product Description

Artisan Herringbone Light Cotton Oak is the ideal natural wood plank, with its light colour tones drawing out the natural character of the wood.

Brushed and oiled engineered wood flooring combines natural beauty with enhanced durability. The brushed finish creates texture, giving the wood a rustic, authentic look while helping to conceal scratches and wear. The oil treatment nourishes the wood, enhancing its color and grain while providing a more natural, matte finish compared to lacquered floors. This finish offers excellent protection against moisture and dirt, but with a more breathable, natural feel.

Character grade engineered wood flooring showcases a balance of natural imperfections, including knots, grain variations, and color differences. This grade offers an authentic yet refined look, combining the charm of imperfections with a more structured aesthetic. It's perfect for those who want a floor with personality, offering warmth and individuality while still maintaining a polished appearance.

Range Details	Properties	Technical Data	Technical Specification
Finish	Brushed & Oiled	Fire Certification	
Species	Oak	Slip Resistance	
Grade	Character	Thermal Conductivity	
Veneer	3mm	Wear Resistance	
Thickness	12mm	PCP Content	
Board Width	70mm	Formaldehyde Rating	
Board Length	300mm	VOC Emissions Rating	
Pack Coverage	1.34m ²		
Wood Origin	France		

Installation Guidance	Properties
Fitting System	Tongue and Groove
Recommended Underlay	Timberlay Platinum
Expansion Gap	10 mm
Suitable For Underfloor Heating?	Yes
Acclimatisation Time	48 Hours

Room Suitability
