

## Loft Prime Natural

### Product Description

Loft Prime Natural is an upgrade of our bestselling Loft Natural engineered wood range. This range is a classic blend of honey and oak tones creating the perfect wood look.

Brushed and lacquered engineered wood flooring offers durability, easy maintenance, and a stylish appearance. The brushed texture adds a natural, authentic look while hiding scratches, and the lacquer finish provides a protective layer against stains, moisture, and wear. This combination makes the flooring more durable than other finishes, resistant to scratches, and easy to clean.

Prime grade engineered wood flooring offers a sleek, uniform appearance with minimal imperfections. It features consistent grain patterns, few knots, and little color variation, making it ideal for a modern, sophisticated look. This high-quality grade ensures a smooth, polished finish and enhances durability, making it a top choice for those seeking a refined, elegant floor with lasting performance.
