

Natural Country Oak

Product Description

Natural Country Oak brings a touch of rustic charm, creating a warm and welcoming atmosphere. Suitable for both traditional and modern homes, it will be a talking point whatever the decor. Brushed and lacquered engineered wood flooring offers durability, easy maintenance, and a stylish appearance. The brushed texture adds a natural, authentic look while hiding scratches, and the lacquer finish provides a protective layer against stains, moisture, and wear. This combination makes the flooring more durable than other finishes, resistant to scratches, and easy to clean. Character grade engineered wood flooring showcases a balance of natural imperfections, including knots, grain variations, and color differences. This grade offers an authentic yet refined look, combining the charm of imperfections with a more structured aesthetic. It's perfect for those who want a floor with personality, offering warmth and individuality while still maintaining a polished appearance.
